## END OF YEAR SHOW- THE NIGHTMARE BEFORE CHRISTMAS

As many of you already know, We have had to make our end of year concert earlier than usual this year as the Convention Centre was completely booked out for the months of November and December... This means we will be doing a halloween themed show on the 26th and 27th of October!

Classes will continue after the show in term 4 until the end of the year to give us a good chance to work on technique and finish the year off working hard in the studio!

This of course means that your teachers are already working hard on things like performance items, sourcing costumes and props so please try to make ALL classes so you don't miss out on anything important.
